

Call for Participation

We invite you to join us in **10th International Conference on Civil Engineering (CE 2026)**

The **10th International Conference on Civil Engineering (CE 2026)** marks a significant milestone in bringing together global researchers, practitioners, industry leaders and policymakers to advance the frontiers of civil engineering. As the field undergoes rapid transformation driven by digitalization, climate change, advanced materials, automation and emerging societal needs, CE 2026 provides a premier international forum for sharing cutting edge knowledge, breakthrough research and innovative applications.

High lights of CE 2026 includes:

- 10th International Conference on Advances in Engineering (AE 2026)
- 12th International Conference on Circuits and Systems (CIRSY 2026)
- 10th International Conference on Mechanical Engineering (ME 2026)
