

Call for Participation

We invite you to join us in **10th International Conference on Mechanical Engineering (ME 2026)**.

This conference stands as a premier global forum for presenting and exchanging the latest advances in mechanical engineering theory, methodology, applications, and emerging challenges. Over the past decade, ME has evolved into a distinguished platform where ground breaking research, transformative technologies, and innovative engineering solutions converge.

Highlights of ME 2026 includes:

- 12th International Conference on Circuits and Systems (CIRSY 2026)
- 10th International Conference on Advances in Engineering (AE 2026)
- 10th International Conference on Civil Engineering (CE 2026)
